May 04, 2018 4:05 PM

FORT COLLINS, Colo., May 04, 2018 (GLOBE NEWSWIRE) -- Advanced Energy Industries, Inc. (NASDAQ:AEIS), a global leader in innovative power and control technologies, today announced that Tina M. Donikowski, currently serving on the boards of Atlas Copco AB and CIRCO International, and former vice president at General Electric Company, has joined the Advanced Energy board of directors.

“We are very pleased to welcome Tina to our Board,” said Grant Beard, chairman of Advanced Energy. “Her extensive board and executive leadership experience in diverse industrial markets will make her a significant addition to the board.”

“I am very excited to work with Tina,” said Yuval Wasserman, president & CEO of Advanced Energy. “Her broad operational and global business experience will be a valuable asset as we expand and execute our vision to grow our industrial business.”

“I’m honored to be joining the board of Advanced Energy and look forward to working with their dynamic leadership team and contributing to AE’s strategic growth strategy,” said Ms. Donikowski.

Ms. Donikowski retired from General Electric Company, a diversified industrial company, in October 2015 after 38 years with the company. She served in a number of senior positions during her career at General Electric Company, including most recently as vice president, Global Locomotive Business, GE Transportation, from January 2013 until her retirement. She currently serves on the Board of Directors of Atlas Copco AB (STOCKHOLM:ATCO), a world-leading provider of sustainable productivity solutions based in Stockholm, Sweden, CIRCO International (NYSE:CIR), a leading provider of flow control solutions and other highly engineered products and subsystems used in energy, aerospace and industrial markets based in Burlington, Massachusetts, and Eriez Magnetics, a privately held manufacturer and designer of magnetic, vibratory, and metal detection applications based in Erie, Pennsylvania. She also serves as a member of the Board of Trustees, Gannon University, and the Board of Trustees, Boys & Girls Club of Erie, Pennsylvania.

Ms. Donikowski holds a Bachelor of Science degree in Industrial Engineering, as well as an Honorary Doctorate, from Gannon University.
