“On behalf of the Advanced Energy team, I thank Lam Research for this Supplier Excellence

award,” said Yuval Wasserman, president and CEO of Advanced Energy. “Advanced Energy has always taken a strategic partnership approach with our customers where our continuing investment in innovation and technology development is fully aligned with our customers' most challenging requirements for current and future applications. We look forward to continued collaboration with Lam Research.”

Lam Research presented the Supplier Excellence Awards on September 10 at the company's 2019 Supplier Day. The event is an opportunity for Lam and its top suppliers to strengthen collaborative partnerships and discuss opportunities that drive progress in the supply chain.

“Our top suppliers play a key role in ensuring that we deliver best-in-class products and services,” said Tim Archer, president and chief executive of Lam Research. “Our partnership with Advanced Energy is critical to delivering exceptional results to our customers and we welcome the opportunity to honor their achievements with a 2019 Supplier Excellence Award.”

About Advanced Energy

Advanced Energy (Nasdaq: AEIS) is a global leader in the design and manufacturing of highly engineered, precision power conversion, measurement and control solutions for mission-critical applications and processes.
