**ADVANCED ENERGY INDUSTRIES, INC.
2023 OMNIBUS INCENTIVE PLAN**

1. Purpose; Effective Date; Effect on Prior Plan.

(a) **Purpose.** The Advanced Energy Industries, Inc. 2023 Omnibus Incentive Plan (the “Plan”) has two complementary purposes: (i) to attract and retain outstanding individuals to serve as officers, directors, employees, consultants and advisors, and (ii) to increase stockholder value. The Plan will provide participants with incentives to increase stockholder value by offering the opportunity to acquire shares of the Company’s common stock, receive monetary payments based on the value of such common stock, or receive other incentive compensation, on the potentially favorable terms that this Plan provides.

(b) **Effective Date; Effect on Prior Plan.** The Plan became effective on the date of the Company’s 2023 Annual Meeting of Stockholders (the “Effective Date”), which was April 27, 2023. The Plan will terminate as provided in Section 15. Following the Effective Date, no additional awards will be made under the Company’s 2017 Omnibus Incentive Plan (the “Prior Plan”), although awards previously granted under the Prior Plan and still outstanding as of the Effective Date will remain outstanding and continue to be subject to all terms and conditions of the Prior Plan.

2. Definitions. Capitalized terms used and not otherwise defined in this Plan or in any Award agreement have the following meanings:

(a) **“10% Stockholder”** means an individual who owns more than ten percent (10%) of the total combined voting power of all classes of outstanding stock of the Company, its parent or any of its Subsidiaries. In determining stock ownership, the attribution rules of Section 424(d) of the Code shall be applied.

(b) **“Administrator”** means the Board or the Committee; *provided that*, to the extent the Board or the Committee has delegated authority and responsibility as an Administrator of the Plan as permitted by Section 3(b), the term “Administrator” shall also mean such committee(s) and/or officer(s).

(c) **“Affiliate”** has the meaning ascribed to such term in Rule 12b-2 under the Exchange Act. Notwithstanding the foregoing, for purposes of determining those individuals to whom an Option or a Stock Appreciation Right may be granted, the term “Affiliate” means any entity that, directly or through one or more intermediaries, is controlled by or is under common control with, the Company within the meaning of Code Sections 414(b) or (c); *provided that*, in applying such provisions, the phrase “at least 20 percent” shall be used in place of “at least 80 percent” each place it appears therein.

(d) **“Applicable Exchange”** means the national securities exchange or automated trading system on which the Stock is principally traded at the applicable time.

(e) **“Award”** means a grant of Options, Stock Appreciation Rights, Performance Stock Units, Performance Units, Stock, Restricted Stock, Restricted Stock Units, a Cash Incentive Award, or any other type of award permitted under this Plan.

(ii) Any time at which individuals who, as of the date hereof, constitute the Board (the “Incumbent Board”) cease for any reason to constitute at least a majority of the Board; provided, however, that any individual becoming a director subsequent to the date hereof whose election, or nomination for election by the Company’s stockholders, was approved by a vote of at least a majority of the directors then comprising the Incumbent Board shall be considered as though such individual were a member of the Incumbent Board, but excluding, for this purpose, any such individual whose initial assumption of office occurs as a result of an actual or threatened election contest with respect to the election or removal of directors or other actual or threatened solicitation of proxies or consents by or on behalf of a Person other than the Board;

or any employee benefit plan (or related trust) of the Company or an Affiliate or such entity resulting from such Business Combination) beneficially owns, directly or indirectly, 50% or more of, respectively, the then-outstanding common equity of the entity resulting from such Business Combination or the combined voting power of the then-outstanding voting securities of such entity, except to the extent that such ownership existed prior to the Business Combination, and (C) at least a majority of the members of the board of directors of the entity resulting from such Business Combination were members of the Incumbent Board at the time of the execution of the initial agreement or of the action of the Board providing for such Business Combination; or

The method of determining Fair Market Value with respect to an Award shall be determined by the Administrator and may differ depending on whether Fair Market Value is in reference to the grant, exercise, vesting, settlement, or payout of an Award. If the Stock is not traded on an established stock exchange, the Administrator shall determine in good faith the Fair Market Value in whatever manner it considers appropriate, but based on objective criteria; provided that, to the extent required to secure an exemption from Code Section 409A, Fair Market Value shall be determined using a reasonable application of a reasonable valuation method. 3. Administration.

(a) **Administration.** In addition to the authority specifically granted to the Administrator in this Plan, the Administrator has full discretionary authority to administer this Plan, including but not limited to the authority to: (i) interpret the provisions of this Plan or any agreement covering an Award; (ii) prescribe, amend and rescind rules and regulations relating to this Plan; (iii) correct any defect, supply any omission, or reconcile any inconsistency in the Plan, any Award or any agreement covering an Award in the manner and to the extent it deems desirable to carry this Plan or such Award into effect; and (iv) make all other determinations necessary or advisable for the administration of this Plan. All Administrator determinations shall be made in the sole discretion of the Administrator and are final and binding on all interested parties.

(b) **Delegation.** To the extent applicable law permits, the Board may delegate to another committee of the Board, or the Committee may delegate to a subcommittee of the Committee, or either may delegate to one or more persons or bodies, any or all of their respective authority and responsibility as an Administrator of the Plan; *provided that* no such delegation is permitted with respect to Stock-based Awards made to Section 16 Participants at the time any such delegated authority or responsibility is exercised unless the delegation is to another committee of the Board consisting entirely of Non-Employee Directors. If the Board or the Committee has made such a delegation, then all references to the Administrator in this Plan include such other committee, subcommittee or one or more persons or bodies to the extent of such delegation.

(c) **No Liability; Indemnification.** No member of the Board or the Committee, and no officer or member of any other committee or person to whom a delegation under Section 3(b) has been made, will be liable for any act done, or determination made, by the individual in good faith with respect to the Plan or any Award. The Company will indemnify and hold harmless each such individual as to any acts or omissions, or determinations made, in each case done or

made in good faith, with respect to this Plan or any Award to the maximum extent that the law and the Company's By-Laws permit.

4. Eligibility. The Administrator may designate any of the following as a Participant from time to time, to the extent of the Administrator's authority: any officer or other employee of the Company or its Affiliates; any individual who the Company or an Affiliate has engaged to become an officer or employee; any consultant or advisor who provides services to the Company or its Affiliates; any Director, including a Non-Employee Director; and, subject to compliance with applicable law, any other person whom the Administrator believes it is in the best interests of the Company to designate as a Participant. The issuance of securities under the Plan will be authorized to consultants and advisors only if they are natural persons, they provide bona fide services to the Company, and the services are not in connection with the offer or sale of securities in a capital-raising transaction and do not directly or indirectly promote or maintain a market for the Company's securities. The Administrator's designation of, or granting of an Award to, a Participant will not require the Administrator to designate such individual as a Participant or grant an Award to such individual at any future time. The Administrator's granting of a particular type of Award to a Participant will not require the Administrator to grant any other type of Award to such individual.

5. Types of Awards. Subject to the terms of this Plan, the Administrator may grant any type of Award to any Participant it selects, but only employees of the Company or a Subsidiary may receive grants of incentive stock options within the meaning of Code Section 422. Awards may be granted alone or in addition to, in tandem with, or (subject to the prohibition on repricing set forth in Section 15(e)) in substitution for any other Award (or any other award granted under another plan of the Company or any Affiliate, including the plan of an acquired entity).

6. Shares Reserved under this Plan.

(a) **Plan Reserve.** Subject to adjustment as provided in Section 17, an aggregate of two million four hundred thousand (2,400,000) Shares are reserved for issuance under this Plan, all of which may be issued pursuant to the exercise of incentive stock options. The Shares reserved for issuance may be either authorized and unissued Shares or Shares reacquired at any time and now or hereafter held as treasury stock.

(b) **Depletion and Replenishment of Shares Under this Plan.**

(i) The aggregate number of Shares reserved under Section 6(a) shall be depleted on the date of grant of an Award by the maximum number of Shares, if any, with respect to which such Award is granted. Notwithstanding the foregoing, an Award that may be settled solely in cash (or partially in cash to the extent of the cash amount of the Award) shall not cause any depletion of the Plan's Share reserve at the time such Award is granted.

(ii) To the extent (A) an Award lapses, expires, terminates or is cancelled without the issuance of Shares under the Award (whether due currently or on a deferred basis) or is settled in cash, (B) it is determined during or at the conclusion of the term of an Award that all or some portion of the Shares with respect to which the Award was granted will not be issuable on the basis that the conditions for such issuance will not be satisfied, (C) Shares are forfeited under an Award, or (D) Shares are issued under any Award and the Company subsequently reacquires them pursuant to rights reserved

upon the issuance of the Shares, then such Shares shall be recredited to the Plan's reserve and may again be used for new Awards under this Plan, but Shares recredited to the Plan's reserve pursuant to clause (D) may not be issued pursuant to incentive stock options. Notwithstanding the foregoing, in no event shall the following Shares be recredited to the Plan's reserve: (x) Shares tendered or withheld in payment of the exercise price of an Option or as a result of the net settlement of an outstanding Stock Appreciation Right, (y) Shares tendered or withheld to satisfy federal, state or local tax withholding obligations, or (z) Shares purchased by the Company (subject to compliance with applicable law) using proceeds from Option exercises

(c) **Non-Employee Director Award Limitation.** Subject to adjustment as provided in Section 17, the maximum number of Shares that may be granted during any fiscal year to any individual Non-Employee Director shall not exceed that number of Shares that has a grant date fair value of, when added to any cash compensation received by such Non-Employee Director, \$1,000,000 (the "Director Limit"); provided that the Administrator may make exceptions to the Director Limit in extraordinary circumstances as the Administrator may determine in its discretion; provided further that the Non-Employee Director receiving such additional compensation may not participate in the decision to award such compensation.

7. Options. Subject to the terms of this Plan, the Administrator will determine all terms and conditions of each Option, including but not limited to: (a) whether the Option is an "incentive stock option" which meets the requirements of Code Section 422, or a "nonqualified stock option" which does not meet the requirements of Code Section 422; (b) the grant date, which may not be any day prior to the date that the Administrator approves the grant; (c) the number of Shares subject to the Option; (d) the exercise price, which may never be less than the Fair Market Value of the Shares subject to the Option as determined on the date of grant (110% of the Fair Market Value in the case of an incentive stock option granted to a 10% Stockholder) unless the Option complies with, or otherwise qualifies for an exemption from, Code Section 409A; (e) the terms and conditions of vesting and exercise; (f) the term, except that an Option must terminate no later than ten (10) years after the date of grant (five (5) years in the case of an incentive stock option granted to a 10% Stockholder); and (g) the manner of payment of the exercise price. In all other respects, the terms of any incentive stock option should comply with the provisions of Code Section 422 except to the extent the Administrator determines otherwise. If an Option that is intended to be an incentive stock option fails to meet the requirements thereof, the Option shall automatically be treated as a nonqualified stock option to the extent of such failure. If any Participant shall make any disposition of Shares issued pursuant to the exercise of an incentive stock option under the circumstances described in Code Section 421(b) (relating to certain disqualifying dispositions), such Participant shall notify the Company of such disposition within ten (10) days thereof. To the extent previously approved by the Administrator (which approval may be set forth in an Award agreement or in administrative rules), and subject to such procedures as the Administrator may specify, the payment of the exercise price of Options may be made by (i) delivery of cash or other Shares or other securities of the Company (including by attestation) having a then Fair Market Value equal to the purchase price of such Shares, (ii) by delivery to the Company or its designated agent of an executed irrevocable option exercise form together with irrevocable instructions to a broker-dealer to sell or margin a sufficient portion of the Shares and deliver the sale or margin loan proceeds directly to the Company to pay for the exercise price, (iii) by surrendering the right to receive Shares otherwise deliverable to the Participant upon exercise of the Award having a Fair Market Value at the time of exercise equal to the total exercise price, or (iv) by any combination of (i), (ii) and/or (iii). Except to the extent otherwise set forth in an Award agreement, a Participant shall have no rights as a holder of

Stock as a result of the grant of an Option until the Option is exercised, the exercise price and applicable withholding taxes are paid and the Shares subject to the Option are issued thereunder.

8. Stock Appreciation Rights. Subject to the terms of this Plan, the Administrator will determine all terms and conditions of each SAR, including but not limited to: (a) the grant date, which may not be any day prior to the date that the Administrator approves the grant; (b) the number of Shares to which the SAR relates; (c) the grant price, which may never be less than the Fair Market Value of the Shares subject to the SAR as determined on the date of grant unless the SAR complies with, or otherwise qualifies for an exemption from, Code Section 409A; (d) the terms and conditions of exercise or maturity, including vesting; (e) the term, *provided that* an SAR must terminate no later than ten (10) years after the date of grant; and (f) whether the SAR will be settled in cash, Shares or a combination thereof.

9. Performance and Stock Awards. Subject to the terms of this Plan, the Administrator will determine all terms and conditions of each award of Shares, Restricted Stock, Restricted Stock Units, Performance Stock Units or Performance Units, including but not limited to: (a) the number of Shares or units to which such Award relates; (b) whether, as a condition for the Participant to realize all or a portion of the benefit provided under the Award, one or more Performance Goals must be achieved during such period as the Administrator specifies; (c) the length of the vesting or performance period and, if different, the date on which payment of the benefit provided under the Award will be made; (d) with respect to Performance Units, whether to measure the value of each unit in relation to a designated dollar value or the Fair Market Value of one or more Shares; and (e) with respect to Restricted Stock Units and Performance Units, whether to settle such Awards in cash, in Shares (including Restricted Stock), or in a combination of cash and Shares. Except to the extent the Administrator provides otherwise, holders of Restricted Stock and Stock shall have the right to vote the Shares subject to such Awards and the right to receive any dividends declared or paid with respect to such Shares. Except to the extent the Administrator provides otherwise, holders of other types of Awards shall not have any rights as stockholders of the Company with respect to such Awards. A holder of Restricted Stock Units, Performance Stock Units or Performance Units shall have no rights other than those of a general creditor of the Company; such Awards represent an unfunded and unsecured obligation of the Company, subject to the terms and conditions of this Plan and the applicable Award agreement. The holder of Restricted Stock, Restricted Stock Units or Performance Stock Units shall be required, to the extent required by applicable law, to purchase the Restricted Stock or Shares subject to vested Restricted Stock Units or Performance Stock Units from the Company at a purchase price equal to the greater of (x) the aggregate par value of the Shares represented by such Restricted Stock, Restricted Stock Units or Performance Stock Units or (y) the purchase price, if any, specified in the applicable Award agreement relating to such Restricted Stock, Restricted Stock Units or Performance Stock Units.

10. Cash Incentive Awards. Subject to the terms of this Plan, the Administrator will determine all terms and conditions of a Cash Incentive Award, including but not limited to the Performance Goals, performance period, the potential amount payable, and the timing of payment.

11. Dividends and Dividend Equivalent Units.

(a) **Prohibitions.** In no event may dividends or Dividend Equivalent Units be awarded with respect to Options, SARs or any other stock-based award that is not a grant of

Stock, Restricted Stock, Restricted Stock Units, Performance Stock Units or Performance Units. Notwithstanding anything to the contrary in this Plan, and for the avoidance of doubt, this Plan expressly prohibits the payment of dividends or Dividend Equivalent Units on unvested Awards for all equity Award types.

(b) **Dividends.** If cash dividends are paid while shares of Restricted Stock are unvested, then such dividends will either, at the discretion of the Administrator, be (i) automatically reinvested as additional shares of Restricted Stock that are subject to the same terms and conditions, including the risk of forfeiture, as the original grant of Restricted Stock, or (ii) paid in cash at the same time and the same extent that the Restricted Stock vests. For clarity, in no event will dividends be distributed to a Participant unless, until and to the same extent as the underlying shares of Restricted Stock vest.

(c) **Dividend Equivalent Units.** The Administrator may grant Dividend Equivalent Units only in tandem with Restricted Stock Units, Performance Stock Units or Performance Units. Dividend Equivalent Units will either, at the discretion of the Administrator, be (i) accumulated and paid, in cash or Shares in the Administrator's discretion, at the same time and to the same extent that the tandem Award vests or is earned or (ii) reinvested in additional units that are subject to the same terms and conditions (including vesting and forfeiture) as the tandem Award. The Administrator will determine all other terms and conditions of each award of Dividend Equivalent Units. For clarity, in no event will a Participant receive payment with respect to a Dividend Equivalent Unit unless, until and to the same extent as the tandem Award vests and is paid.

12. Other Stock-Based Awards. Subject to the terms of this Plan, the Administrator may grant to a Participant shares of unrestricted Stock as replacement for other compensation to which the Participant is entitled, such as in payment of director fees, in lieu of cash compensation, in exchange for cancellation of a compensation right, or as a bonus.

13. Minimum Vesting; Discretion to Accelerate Vesting.

(a) **Minimum Vesting Period.** All Awards granted under the Plan shall have a minimum vesting period of one year from the date of grant, *provided* that such minimum vesting period will not apply to Awards with respect to up to 5% of the total number of Shares reserved pursuant to Section 6(a). For purposes of Awards granted to Non-Employee Directors, "one year" may mean the period of time from one annual stockholders meeting to the next annual stockholders meeting, *provided* that such period of time is not less than 50 weeks.

(b) **Discretion to Accelerate Vesting.** Notwithstanding Section 13(a), the Administrator may accelerate the vesting of an Award, deem an Award to be earned in whole or in part, waive any forfeiture conditions, or otherwise modify or adjust any other condition or limitation regarding an Award in the event of a Participant's death, Disability, Retirement, voluntary or involuntary termination, as provided in an Award agreement, in connection with a Change of Control described in Section 17(c), or upon any other event as determined by the Administrator in its sole and absolute discretion.

14. Transferability. Awards are not transferable, including to any financial institution, other than by will or the laws of descent and distribution, unless and to the extent the Administrator allows a Participant to: (a) designate in writing a beneficiary to exercise the Award or receive payment under the Award after the Participant's death; (b) transfer an Award to the former spouse of the Participant as required by a domestic relations order incident to a divorce;

or (c) transfer an Award; *provided, however*, that with respect to clause (c) above the Participant may not receive consideration for such a transfer of an Award.

15. Term of Plan; Termination and Amendment; Survival; Repricing and Backdating Prohibited; Foreign Participation; Deferrals.

(a) **Term of Plan.** Unless the Board earlier terminates this Plan pursuant to Section 15(b), this Plan will terminate on, and no further Awards may be granted under this Plan, after the tenth (10th) anniversary of the latest date on which this Plan, or any amendment thereto or restatement thereof, has been approved by the Company's stockholders.

(b) **Termination and Amendment.** The Board or the Administrator may amend, alter, suspend, discontinue or terminate this Plan at any time, subject to the following limitations:

(i) the Board, in addition to the Administrator, must approve any amendment of this Plan to the extent the Company determines such approval is required by: (A) prior action of the Board, (B) applicable corporate law, or (C) any other applicable law;

(ii) stockholders must approve any amendment of this Plan (which may include an amendment to materially increase the number of Shares specified in Section 6(a), except as permitted by Section 17) to the extent the Company determines such approval is required by: (A) Section 16 of the Exchange Act, (B) the Code, (C) the listing requirements of the Applicable Exchange, or (D) any other applicable law; and

(iii) stockholders must approve an amendment that would diminish the protections afforded by Section 15(e).

If the Board or the Administrator takes any action under this Plan that is not, at the time of such action, authorized by this Plan, but that could be authorized by this Plan as amended by the Board or the Administrator, as applicable, the Board or Administrator action will be deemed to constitute an amendment to this Plan to authorize such action to the extent permissible under applicable law and the requirements of the Applicable Exchange.

(c) **Amendment, Modification, Cancellation and Disgorgement of Awards.**

(i) Except as provided in Section 15(e) and subject to the requirements of this Plan, the Administrator may modify, amend or cancel any Award, or waive any restrictions or conditions applicable to any Award or the exercise of the Award; *provided that*, except as otherwise provided in the Plan or the Award agreement, any modification or amendment that materially diminishes the rights of the Participant, or the cancellation of an Award, shall be effective only if agreed to by the Participant or any other person(s) as may then have an interest in such Award, but the Administrator need not obtain Participant (or other interested party) consent for the modification, amendment or cancellation of an Award as follows: (A) to the extent necessary to comply with any applicable law or the listing requirements of the Applicable Exchange; or (B) to the extent necessary to preserve favorable accounting or tax treatment of any Award for the Company. Notwithstanding the foregoing, unless determined otherwise by the Administrator, any such amendment shall be made in a manner that will enable an Award intended to be exempt from Code Section 409A to continue to be so exempt, or

to enable an Award intended to comply with Code Section 409A to continue to so comply.

(ii) Changes, settlements, and other actions contemplated by Section 15(f) or Section 17 shall not be deemed to constitute changes or amendments for purposes of this Section 15(c).

(iii) No Award may be granted during any period of suspension or after termination of the Plan.

(iv) Any Awards granted pursuant to this Plan, and any Stock issued or cash paid pursuant to an Award, shall be subject to any recoupment or clawback policy that is adopted by, or any recoupment or similar requirement otherwise made applicable by law, regulation or the listing standards of an Applicable Exchange to, the Company from time to time.

(d) **Survival of Authority and Awards.** Notwithstanding the foregoing, the authority of the Board and the Administrator under this Section 15 and to otherwise administer the Plan with respect to then-outstanding Awards will extend beyond the date of this Plan's termination. In addition, termination of this Plan will not affect the rights of Participants with respect to Awards previously granted to them, and all unexpired Awards will continue in force and effect after termination of this Plan except as they may lapse or be terminated by their own terms and conditions.

(e) **Repricing and Backdating Prohibited.** Notwithstanding anything in this Plan to the contrary, and except for the adjustments provided for in Section 17, neither the Administrator nor any other person may (i) amend the terms of outstanding Options or SARs to reduce the exercise or grant price of such outstanding Options or SARs; (ii) cancel outstanding Options or SARs in exchange for Options or SARs with an exercise or grant price that is less than the exercise or grant price of the original Options or SARs; or (iii) cancel outstanding Options or SARs with an exercise or grant price above the current Fair Market Value of a Share in exchange for cash or other securities. In addition, the Administrator may not make a grant of an Option or SAR with a grant date that is effective prior to the date the Administrator takes action to approve such Award.

(f) **Foreign Participation.** To assure the viability of Awards granted to Participants employed or residing in foreign countries, the Administrator may provide for such special terms as it may consider necessary or appropriate to accommodate differences in local law, tax policy, accounting or custom. Moreover, the Administrator may approve such supplements to, or amendments, restatements or alternative versions of, this Plan as it determines is necessary or appropriate for such purposes. Any such amendment, restatement or alternative versions that the Administrator approves for purposes of using this Plan in a foreign country will not affect the terms of this Plan for any other country. In addition, all such supplements, amendments, restatements or alternative versions must comply with the provisions of Section 15(b)(ii).

(g) **Deferrals.** The Administrator may permit or require the deferral of any Award or Award payment into a deferred compensation arrangement, subject to such rules and procedures as it may establish. Any such deferrals shall be made in a manner that complies with Code Section 409A.

16. Taxes.

(a) **Withholding.** In the event the Company or one of its Affiliates is required to withhold any federal, state or local taxes or other amounts in respect of any income recognized by a Participant as a result of the grant, vesting, payment or settlement of an Award or disposition of any Shares acquired under an Award, the Company may satisfy such obligation by:

(i) If cash is payable under an Award, deducting (or requiring an Affiliate to deduct) from such cash payment the amount needed to satisfy such obligation;

(ii) If Shares are issuable under an Award, then to the extent previously approved by the Administrator (which approval may be set forth in an Award agreement or in administrative rules), and subject to such procedures as the Administrator may specify, (A) withholding Shares having a Fair Market Value equal to such obligations; or (B) allowing the Participant to elect to (1) have the Company or its Affiliate withhold Shares otherwise issuable under the Award, (2) tender back Shares received in connection with such Award or (3) deliver other previously owned Shares, in each case having a Fair Market Value equal to the amount to be withheld; *provided that* the amount to be withheld under this clause (ii) may not exceed the total maximum statutory tax withholding obligations associated with the transaction to the extent needed for the Company and its Affiliates to avoid an accounting charge. If an election is provided, the election must be made on or before the date as of which the amount of tax to be withheld is determined and otherwise as the Administrator requires; or

(iii) Deducting (or requiring an Affiliate to deduct) the amount needed to satisfy such obligation from any wages or other payments owed to the Participant, requiring such Participant to pay to the Company or its Affiliate, in cash, promptly on demand, or make other arrangements satisfactory to the Company or its Affiliate regarding the payment to the Company or its Affiliate of the amount needed to satisfy such obligation.

(b) **No Guarantee of Tax Treatment.** Notwithstanding any provisions of this Plan to the contrary, the Company does not guarantee to any Participant or any other Person with an interest in an Award that (i) any Award intended to be exempt from Code Section 409A shall be so exempt, (ii) any Award intended to comply with Code Section 409A or Code Section 422 shall so comply, or (iii) any Award shall otherwise receive a specific tax treatment under any other applicable tax law, nor in any such case will the Company or any Affiliate be required to indemnify, defend or hold harmless any individual with respect to the tax consequences of any Award.

17. Adjustment and Change of Control Provisions.

(a) **Adjustment of Shares.** If (i) the Company shall at any time be involved in a merger or other transaction in which the Shares are changed or exchanged; (ii) the Company shall subdivide or combine the Shares or the Company shall declare a dividend payable in Shares, other securities (other than stock purchase rights issued pursuant to a stockholder rights agreement) or other property; (iii) the Company shall effect a cash dividend the amount of which, on a per Share basis, exceeds ten percent (10%) of the Fair Market Value of a Share at the time the dividend is declared, or the Company shall effect any other dividend or other

distribution on the Shares in the form of cash, or a repurchase of Shares, that the Board determines by resolution is special or extraordinary in nature or that is in connection with a transaction that the Company characterizes publicly as a recapitalization or reorganization involving the Shares; or (iv) any other event shall occur, which, in the case of this clause (iv), in the judgment of the Administrator necessitates an adjustment to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan, then the Administrator shall, in such manner as it may deem equitable to prevent dilution or enlargement of the benefits or potential benefits intended to be made available under this Plan, adjust any or all of: (A) the number and type of shares subject to this Plan (including the number and type of shares described in Section 6(a)) and which may after the event be made the subject of Awards; (B) the number and type of shares subject to outstanding Awards; (C) the grant, purchase, or exercise price with respect to any Award; and (D) the Performance Goals of an Award. In any such case, the Administrator may also (or in lieu of the foregoing) make provision for a cash payment to the holder of an outstanding Award in exchange for the cancellation of all or a portion of the Award (without the consent of the holder of an Award) in an amount determined by the Administrator effective at such time as the Administrator specifies (which may be the time such transaction or event is effective). However, in each case, with respect to Awards of incentive stock options, no such adjustment may be authorized to the extent that such authority would cause this Plan to violate Code Section 422(b). Further, the number of Shares subject to any Award payable or denominated in Shares must always be a whole number. In any event, previously granted Options or SARs are subject to only such adjustments as are necessary to maintain the relative proportionate interest the Options and SARs represented immediately prior to any such event and to preserve, without exceeding, the value of such Options or SARs.

Without limitation, in the event of any reorganization, merger, consolidation, combination or other similar corporate transaction or event, whether or not constituting a Change of Control (other than any such transaction in which the Company is the continuing corporation and in which the outstanding Stock is not being converted into or exchanged for different securities, cash or other property, or any combination thereof), the Administrator may substitute, on an equitable basis as the Administrator determines or as set forth in the applicable purchase or merger agreement, for each Share then subject to an Award and the Shares subject to this Plan (if the Plan will continue in effect), the number and kind of shares of stock, other securities, cash or other property to which holders of Stock are or will be entitled in respect of each Share pursuant to the transaction.

Notwithstanding the foregoing, in the case of a stock dividend (other than a stock dividend declared in lieu of an ordinary cash dividend) or subdivision or combination of the Shares (including a reverse stock split), if no action is taken by the Administrator, adjustments contemplated by this subsection that are proportionate shall nevertheless automatically be made as of the date of such stock dividend or subdivision or combination of the Shares.

(b) **Issuance or Assumption.** Notwithstanding any other provision of this Plan, and without affecting the number of Shares otherwise reserved or available under this Plan, in connection with any merger, consolidation, acquisition of property or stock, or reorganization, the Administrator may authorize the issuance or assumption of awards under this Plan upon such terms and conditions as it may deem appropriate.

(c) **Effect of Change of Control.**

(i) Upon a Change of Control, except to the extent otherwise provided in an applicable Award agreement, if the successor or surviving corporation (or parent thereof) so agrees, then, without the consent of any Participant (or other person with rights in an Award), some or all outstanding Awards may be assumed, or replaced with the same type of award with substantially equivalent terms and conditions, by the successor or surviving corporation (or parent thereof) in the Change of Control transaction, subject to the following requirements:

(A) Each Award which is assumed by the successor or surviving corporation (or parent thereof) shall be appropriately adjusted, immediately after such Change of Control, to apply to the number and class of securities which would have been issuable to the Participant upon the consummation of such Change of Control had the Award been exercised, vested or earned immediately prior to such Change of Control, and such other appropriate adjustments in the terms and conditions of the Award shall be made.

(B) If the securities to which the Awards relate after the Change of Control are not listed and traded on a national securities exchange, then (1) the Participant shall be provided the option, upon exercise or settlement of an Award, to elect to receive, in lieu of the issuance of such securities, cash in an amount equal to the fair value equal of the securities that would have otherwise been issued and (2) for purposes of determining such fair value, no reduction shall be taken to reflect a discount for lack of marketability, minority interest or any similar consideration.

(ii) To the extent the purchaser, successor or surviving entity (or parent thereof) in the Change of Control transaction does not assume the Awards or issue replacement awards as provided in clause (i), then, except to the extent otherwise provided in an applicable Award agreement and unless the Administrator otherwise determines:

(A) Each Option or SAR that is then held by a Participant who is employed by or in the service of the Company or an Affiliate shall either (x) become immediately exercisable and remain so for a period of fifteen (15) days prior to the consummation of the Change of Control (with any exercisability being conditioned and effective upon such consummation and any unexercised Options or SARs terminating upon such consummation) or (y) be cancelled (whether or not then vested) on the date of the Change of Control in exchange for a payment in cash or securities upon or promptly after the consummation of the Change of Control having a value equal to the excess of the Change of Control Price (as defined below) of the Shares covered by the Option or SAR that is so cancelled over the purchase or grant price of such Shares under the Award; *provided, however*, that all Options and SARs that have a purchase or grant price that is greater than the Change of Control Price shall be cancelled for no consideration;

(B) Restricted Stock and Restricted Stock Units (that are not Performance Awards) that are not then vested shall vest in full as of immediately prior to the Change of Control and shall be cancelled in

exchange for a payment in cash upon or promptly after the consummation of the Change of Control having a value equal to the Change of Control Price of the Shares covered by the Award that is so cancelled;

(C) All Performance Stock Units, Performance Units, and Cash Incentive Awards for which the performance period has expired shall be paid based on actual performance (and assuming all employment or other requirements had been met in full); and all Performance Stock Units, Performance Units and Cash Incentive Awards for which the performance period has not expired shall be cancelled in exchange for a payment in cash upon or promptly after the consummation of the Change of Control equal to the amount that would have been due under such Award(s) as determined by the Administrator;

(D) All Dividend Equivalent Units that are not vested shall vest (to the same extent as the Award granted in tandem with the Dividend Equivalent Unit, if applicable) and be paid upon or promptly after the consummation of the Change of Control; and

(E) All other Awards that are not vested shall vest and if an amount is payable under such vested Award, such amount shall be paid in cash upon or promptly after the consummation of the Change of Control equal to the value of the Award.

“Change of Control Price” shall mean the per share price paid or deemed paid in the Change of Control transaction, and to the extent necessary, as determined by the Administrator.

(d) **Application of Limits on Payments.** Notwithstanding any other provision of this Plan or of any other agreement, contract, or understanding heretofore or hereafter entered into by a Participant with the Company or any Affiliate, except an agreement, contract, or understanding that expressly addresses Section 280G or Section 4999 of the Code (an “Other Agreement”), and notwithstanding any formal or informal plan or other arrangement for the direct or indirect provision of compensation to the Participant (including groups or classes of Participants or beneficiaries of which the Participant is a member), whether or not such compensation is deferred, is in cash, or is in the form of a benefit to or for the Participant (a “Benefit Arrangement”), if the Participant is a “disqualified individual,” as defined in Section 280G(c) of the Code, any Option, Restricted Stock, Restricted Stock Unit, Performance Stock Unit or Performance Unit held by that Participant and any right to receive any payment or other benefit under this Plan shall not become exercisable or vested (i) to the extent that such right to exercise, vesting, payment, or benefit, taking into account all other rights, payments, or benefits to or for the Participant under this Plan, all Other Agreements, and all Benefit Arrangements, would cause any payment or benefit to the Participant under this Plan to be considered a “parachute payment” within the meaning of Section 280G(b)(2) of the Code as then in effect (a “Parachute Payment”) and (ii) if, as a result of receiving a Parachute Payment, the aggregate after-tax amounts received by the Participant from the Company under this Plan, all Other Agreements, and all Benefit Arrangements would be less than the maximum after-tax amount that could be received by the Participant without causing any such payment or benefit to be considered a Parachute Payment. In the event that the receipt of any such right to exercise, vesting, payment, or benefit under this Plan, in conjunction with all other rights, payments, or benefits to or for the Participant under any Other Agreement or any Benefit Arrangement would

cause the Participant to be considered to have received a Parachute Payment under this Plan that would have the effect of decreasing the after-tax amount received by the Participant as described in clause (ii) of the preceding sentence, then the rights, payments, or benefits under this Plan, any Other Agreements, and any Benefit Arrangements shall be reduced or eliminated in the following manner and order: any such reduction or elimination in rights, payments and benefits shall be applied first against the latest scheduled cash payments; then current cash payments; then any equity or equity derivatives that are included under Code Section 280G at full value rather than accelerated value (with the highest value reduced or eliminated first); then any equity or equity derivatives included under Code Section 280G at an accelerated value (and not at full value) shall be reduced or eliminated with the highest value reduced or eliminated first (as such values are determined under Treasury Regulation 1.280G-1, Q&A 24); finally any other non-cash benefits will be reduced or eliminated in the order of latest scheduled payments to earliest scheduled payments.

18. Effect of Termination of Employment or Service on Awards. If the Participant has in effect an employment, retention, change of control, severance or similar agreement with the Company or any Affiliate that discusses the effect of the Participant's termination of employment or service on the Participant's Awards, then such agreement shall control. In any other case, except as otherwise provided by the Administrator in an Award agreement or as otherwise determined by the Administrator prior to or at the time of termination of a Participant's employment or service, the following provisions shall apply upon a Participant's termination of employment or service with the Company and its Affiliates.

(a) **Termination of Employment or Service.** If a Participant's employment or service with the Company and its Affiliates ends for any reason other than (i) death, (ii) Disability or (iii) Retirement, then:

(i) Any outstanding unvested Options or SARs shall be forfeited immediately upon such termination, and any outstanding vested Options or SARs shall be exercisable until the earlier of (A) ninety (90) days following the Participant's termination date and (B) the expiration date of the Option or SAR under the terms of the applicable Award agreement.

(ii) All other outstanding Awards made to the Participant, to the extent not then earned, vested and paid to the Participant, shall terminate on the Participant's last day of employment or service.

(b) **Death or Disability of Participant.** If a Participant dies during employment or service with the Company and its Affiliates, or if a Participant's employment or service terminates as a result of Disability, then:

(i) Any outstanding unvested Options or SARs shall be forfeited immediately upon such death or termination, and any outstanding vested Options or SARs shall be exercisable until the earlier of (A) twelve (12) months following the date of such death or termination and (B) the expiration date of the Option or SAR under the terms of the applicable Award agreement.

(ii) All other outstanding Awards made to the Participant, to the extent not then earned, vested and paid to the Participant, shall terminate on the Participant's last day of employment or service.

(c) **Retirement of Participant.** If a Participant's employment or service terminates as a result of Retirement, then:

(i) Any outstanding unvested Options or SARs shall be forfeited immediately upon such Retirement, and any outstanding vested Options or SARs shall be exercisable until the earlier of (A) thirty-six (36) months following the date of such Retirement and (B) the expiration date of the Option or SAR under the terms of the applicable Award agreement.

(ii) All other outstanding Awards made to the Participant, to the extent not then earned, vested and paid to the Participant, shall terminate on the Participant's last day of employment or service.

(d) **Time of Termination.** For purposes of this Section 18, termination of service shall be deemed to occur at 11:59 p.m. (Eastern Time) on the relevant date described above. Forfeiture or termination of Awards required by this Section 18 shall occur on the date of termination immediately after termination.

(e) **Consultants, Advisors and Other Stock-Based Awards.** The Administrator shall have the discretion to determine the effect of the termination of service of a consultant or advisor on Awards held by such individual, and the effect on other Stock-based Awards of a Participant's termination of employment or service with the Company and its Affiliates.

19. Miscellaneous.

(a) **Other Terms and Conditions.** (i) The Administrator may provide in any Award agreement such other provisions (whether or not applicable to the Award granted to any other Participant) as the Administrator determines appropriate to the extent not otherwise prohibited by the terms of the Plan. No provision in an Award agreement shall limit the Administrator's discretion hereunder unless such provision specifically so provides for such limitation. (ii) Notwithstanding anything in this Plan, the Executive Change in Control & General Severance Agreements (as may be modified from time to time or other replacement agreement between executives and the Company) control over any conflicting term in this Plan.

(b) **Employment and Service.** The issuance of an Award shall not confer upon a Participant any right with respect to continued employment or service with the Company or any Affiliate, or the right to continue as a Director. Unless determined otherwise by the Administrator, for purposes of the Plan and all Awards, the following rules shall apply:

(i) a Participant who transfers employment between the Company and its Affiliates, or between Affiliates, will not be considered to have terminated employment;

(ii) a Participant who ceases to be a Non-Employee Director because he or she becomes an employee of the Company or an Affiliate shall not be considered to have ceased service as a Director with respect to any Award until such Participant's termination of employment with the Company and its Affiliates;

(iii) a Participant who ceases to be employed by the Company or an Affiliate and immediately thereafter becomes a Non-Employee Director, a non-employee director of an Affiliate, or a consultant to the Company or any Affiliate shall not be considered to

have terminated employment until such Participant's service as a director of, or consultant to, the Company and its Affiliates has ceased; and

(iv) a Participant employed by an Affiliate will be considered to have terminated employment when such entity ceases to be an Affiliate.

Notwithstanding the foregoing, for purposes of an Award that is subject to Code Section 409A, if a Participant's termination of employment or service triggers the payment of compensation under such Award, then the Participant will be deemed to have terminated employment or service upon his or her "separation from service" within the meaning of Code Section 409A. Notwithstanding any other provision in this Plan or an Award to the contrary, if any Participant is a "specified employee" within the meaning of Code Section 409A as of the date of his or her "separation from service" within the meaning of Code Section 409A, then, to the extent required to avoid the imposition of additional taxes under Code Section 409A, any payment made to the Participant on account of such separation from service shall not be made before a date that is six months after the date of the separation from service.

(c) **No Fractional Shares.** No fractional Shares or other securities may be issued or delivered pursuant to this Plan, and the Administrator may determine whether cash, other securities or other property will be paid or transferred in lieu of any fractional Shares or other securities, or whether such fractional Shares or other securities or any rights to fractional Shares or other securities will be canceled, terminated or otherwise eliminated with or without consideration.

(d) **Unfunded Plan; Awards Not Includable for Benefits Purposes.** This Plan is unfunded and does not create, and should not be construed to create, a trust or separate fund with respect to this Plan's benefits. This Plan does not establish any fiduciary relationship between the Company and any Participant or other person. To the extent any person holds any rights by virtue of an Award granted under this Plan, such rights are no greater than the rights of the Company's general unsecured creditors. Income recognized by a Participant pursuant to an Award shall not be included in the determination of benefits under any employee pension benefit plan (as such term is defined in Section 3(2) of the Employee Retirement Income Security Act of 1974, as amended) or group insurance or other benefit plans applicable to the Participant which are maintained by the Company or any Affiliate, except as may be provided under the terms of such plans or determined by resolution of the Board.

(e) **Requirements of Law and Securities Exchange.** The granting of Awards and the issuance of Shares in connection with an Award are subject to all applicable laws, rules and regulations and to such approvals by any governmental agencies or national securities exchanges as may be required. Notwithstanding any other provision of this Plan or any award agreement, the Company has no liability to deliver any Shares under this Plan or make any payment unless such delivery or payment would comply with all applicable laws and the applicable requirements of any securities exchange or similar entity, and unless and until the Participant has taken all actions required by the Company in connection therewith. The Company may impose such restrictions on any Shares issued under the Plan as the Company determines necessary or desirable to comply with all applicable laws, rules and regulations or the requirements of any national securities exchanges.

(f) **Securities Law Compliance.** With respect to Section 16 Participants, transactions under this Plan are intended to qualify for the exemption provided by Rule 16b-3 under the Exchange Act.

(g) **Code Section 409A.** Any Award granted under this Plan shall be provided or made in such manner and at such time as to either make the Award exempt from, or comply with, the provisions of Code Section 409A, to avoid a plan failure described in Code Section 409(a)(1), and the provisions of Code Section 409A are incorporated into this Plan to the extent necessary for any Award that is subject to Code Section 409A to comply therewith.

(h) **No Corporate Action Restriction.** The existence of this Plan, the Award agreements and the Awards granted hereunder shall not limit, affect or restrict in any way the right or power of the Board or the stockholders of the Company to make or authorize: (a) any adjustment, recapitalization, reorganization or other change in the capital structure or business of the Company or any Subsidiary, (b) any merger, arrangement, business combination, amalgamation, consolidation or change in the ownership of the Company or any Subsidiary, (c) any issue of bonds, debentures, capital, preferred or prior preference stock ahead of or affecting the capital stock (or the rights thereof) of the Company or any Subsidiary, (d) any dissolution or liquidation of the Company or any Subsidiary, (e) any sale or transfer of all or any part of the assets or business of the Company or any Subsidiary, or (f) any other corporate act or proceeding by the Company or any Subsidiary. No Participant, beneficiary or any other person shall have any claim under any Award or Award agreement against any member of the Board or the Administrator, or the Company or any employees, officers or agents of the Company or any Subsidiary, as a result of any such action.

(i) **Governing Law; Venue.** This Plan, and all agreements under this Plan, will be construed in accordance with and governed by the laws of the State of Colorado, without reference to any conflict of law principles. Any legal action or proceeding with respect to this Plan, any Award or any award agreement, or for recognition and enforcement of any judgment in respect of this Plan, any Award or any award agreement, may only be brought and determined in (i) a court sitting in the State of Colorado, and (ii) a “bench” trial, and any party to such action or proceeding shall agree to waive its right to a jury trial.

(j) **Limitations on Actions.** Any legal action or proceeding with respect to this Plan, any Award or any award agreement, must be brought within one year (365 days) after the day the complaining party first knew or should have known of the events giving rise to the complaint.

(k) **Construction.** Whenever any words are used herein in the masculine, they shall be construed as though they were used in the feminine in all cases where they would so apply; and wherever any words are used in the singular or plural, they shall be construed as though they were used in the plural or singular, as the case may be, in all cases where they would so apply. Titles of sections are for general information only, and this Plan is not to be construed with reference to such titles. The title, label or characterization of an Award in an award agreement or in the Company’s public filings or other disclosures shall not be determinative as to which specific Award type is represented by the award agreement. Instead, the Administrator may determine which specific type(s) of Award(s) is (are) represented by any award agreement, at the time such Award is granted or at any time thereafter. Except to the extent otherwise provided in the applicable award agreement, in the case of any Award that includes a “series of installment payments” (within the meaning of Section 1.409A-2(b)(2)(iii) of the Treasury Regulations), the Award holder’s right to the series of installment payments shall be treated as a right to a series of separate payments and not as a right to a single payment.

(l) **Severability.** If any provision of this Plan or any award agreement or any Award (i) is or becomes or is deemed to be invalid, illegal or unenforceable in any jurisdiction, or as to

any person or Award, or (ii) would cause this Plan, any award agreement or any Award to violate or be disqualified under any law the Administrator deems applicable, then such provision should be construed or deemed amended to conform to applicable laws, or if it cannot be so construed or deemed amended without, in the determination of the Administrator, materially altering the intent of this Plan, award agreement or Award, then such provision should be stricken as to such jurisdiction, person or Award, and the remainder of this Plan, such award agreement and such Award will remain in full force and effect.
